

CEF Final Recipients 2019

As agreed in the Delegation Agreement between the European Commission and the European Investment Bank (EIB) in respect of the Debt Instrument under the CEF, the EIB publishes information on Final Recipients supported since the signature date of the Delegation Agreement (22/07/2015) until the end of 2019.

Final Recipients which are no longer supported under the Financial Instrument as at 01/01/2019 have been removed from the list.

Final Recipients supported under CEF until 2019:

| Borrower name, address & country of establishment | Type of financial support received | Final Recipient name | Project description |
|--|------------------------------------|--|---|
| LINZ AG für Energie, Telekommunikation, Verkehr und kommunale Dienste Linz Austria | Loan | LINZ SERVICE GmbH für Infrastruktur und Kommunale Dienste | HAFEN LINZ TEN-INFRASTRUKTUR The Project involves the further development of the tri-modal logistics platform in the inland port of Linz, located in Upper Austria at the River Danube, with the overall aim of increasing the capacity and improving the efficiency of the logistics operations. |
| Port of Cork Company Cork Ireland | Loan | Port of Cork Company Custom House Street Cork Ireland | PORT OF CORK - RINGASKIDDY PORT REDEVELOPMENT The purpose of the project is to relocate the Port of Cork's main container terminal from a physically constrained location, Tivoli Docks near the City of Cork to another existing port facility, Ringaskiddy, closer to the entrance of Cork Harbour. The marine access to the Ringaskiddy facility will be deepened to allow larger, deeper draft vessels to access the terminal and the landside areas enlarged, increasing the port's container handling capacity. |
